

PARTNERONE WORKERS COMPENSATION

Overview of Workers Compensation, including Pollution

A Workers Compensation policy provides coverage for an employer's exposure arising out of job-related injury/death resulting from an accident or occupational disease sustained by employees. Moving Workers Compensation accounts from assigned risk (or other state programs) into a program will offer exceptional coverage at a very competitive rate.

Coverage Details & Enhancements

- PartnerOne Workers Compensation must be bound in conjunction with a PartnerOne Package policy.
- Blanket Waiver of Subrogation is available.
- Risk Engineering is available to provide insureds with recommendations to reduce exposure to loss.
- Audit team available to assist during the Audit process.
- 24 Emergency Response Call Center.
- A+ rated carrier.
- Limits start at \$500k/\$500k/\$500k, up to \$1M.

Advantages of securing Workers Comp Coverage through PartnerOne:

- Coverage is rated, quoted, bound, and issued by PartnerOne Environmental, enabling us to offer fast turnarounds and excellent service.
- Dedicated and experienced Environmental Claims Department.
- Small to middle market contractors and consultants deserve quality policy forms and endorsements.
- PartnerOne Workers Compensation rounds out PartnerOne's successful suite of products and creates a better customer experience.
