

PARTNERONE CONTRACTORS POLLUTION

What is PartnerOne Contractors Pollution?

- PartnerOne Contractors Pollution provides coverage for pollution claims arising from an insured's covered and completed operations.
- PartnerOne Contractors Pollution targets small to middle market environmental AND non-environmental contractors, including fire and water restoration contractors.
- PartnerOne Contractors Pollution coverage is offered by carriers rated "A" or better.
- Available product enhancements include: Blanket Additional Insured where contractually required, Waiver of Subrogation, Natural Resources Damage, Transportation Pollution Liability, Mold coverage, and Third Party Environmental Impairment Liability for the insured's owned/leased premises.

Why is PartnerOne Contractors Pollution important?

- Because PartnerOne Contractors Pollution is quoted, bound, and issued in-house, enabling us to offer fast turnarounds and excellent service.
- Because claims caused by a pollution condition arising from the insured's covered operations may not be covered via the insured's General Liability form.
- Because small to middle market contractors deserve quality policy forms and endorsements.
- Because coverage through the PartnerOne Contractors Pollution program starts at \$1,000 plus applicable taxes and fees.

Target risks include, but are not limited to:

- General Contractors
- HVAC/Mechanical Contractors
- Utility Contractors
- Electrical Contractors
- Street/Road Contractors
- Carpentry Contractors
- Restoration Contractors
- Plumbing Contractors
- Roofing Contractors
- Sewer/Septic Contractors
- Excavation Contractors
