PARTNERONE ENVIRONMENTAL PRODUCTS

PartnerOne Environmental is a fully integrated, single source for environmental insurance products. We provide coverage for a variety of small to middle market contractors, consultants, and property owners and managers. Most PartnerOne products are quoted, bound, and issued in-house, enabling us to offer fast turnaround times and excellent service. Our products are offered by carriers rated "A" or better.

What Insurance Products Does PartnerOne Environmental Offer?

- **PartnerOne Package**
Combined form providing General Liability coverage, as well as Contractors Pollution Liability and Professional Liability for environmental contractors and consultants. Follow Form Excess may also be provided.
- **PartnerOne Contractors Pollution**
Monoline Contractors Pollution Liability form offering coverage for pollution claims arising from any contractor's covered and completed operations.
- **PartnerOne Contractors Pollution & Professional**
A combined CPL and Professional Liability policy that is custom tailored to address the risk exposures encountered by non-environmental contractors.
- **PartnerOne Facilities Casualty & Pollution**
A package policy for facilities that provides General Liability and Site Specific Pollution Liability, as well as Contractors Pollution Liability and Products Pollution Liability.
- **PartnerOne Fuel Solutions**
A policy providing coverage for cleanup costs at a tank owner's facility due to releases from site itself and/or scheduled tanks on the policy.
- **PartnerOne Premises Pollution**
A policy offering both on site and off site Clean Up, as well as coverage for Third Party Bodily Injury and Property Damage for scheduled locations.
- **PartnerOne Self Storage Plus**
A Site Specific Pollution Liability form providing coverage for self storage facilities.
- **PartnerOne Auto**
An Auto policy including Pollution is an ISO based Auto form including broadened pollution endorsements and any motor carrier filings.
- **PartnerOne Workers Compensation**
A Workers Compensation policy provides coverage for an employer's exposure arising out of job-related injury/death resulting from an accident or occupational disease sustained by employees.
