PARTNERONE CONTRACTORS EQUIPMENT

Overview of Contractors Equipment

Contractors Equipment coverage is needed by any company that owns, rents, or regularly uses equipment. Contractors Equipment coverage protects equipment at jobsites and/or fixed locations as well as while in transit.

Eligible Accounts

- Environmental and Non Environmental Contractors
- Roll off rental companies
- Construction Companies
- Trade Contractors – HVAC, Street/Road, Excavation, Landscaping, etc
- All states except FL, AK, HI, and KY

Coverages & Enhancements Offered

- Coverage for contractors equipment including machinery, equipment and tools used in construction, remediation and installation projects
- Additional Debris Removal Expense
- Employee Tools
- Equipment Leased or Rented From Others
- Newly Purchased Equipment
- Pollutant Cleanup and Removal
- Rental Reimbursement
- Spare Parts and Fuel

Advantages of securing PartnerOne Contractors Equipment through PartnerOne Environmental

- Coverage is rated, quoted, bound and issued by PartnerOne Environmental, enabling us to offer fast turnarounds and excellent service.
- Coverage is provided by an admitted A++ carrier.
- Minimum premium starts at \$800.
