In consideration of the premium charged it is hereby agreed that:

A. The following exclusion is added to all coverage parts of this policy:

This insurance does not apply to:

Terrorism

“Any injury or damage” arising directly, or indirectly, out of a “certified act of terrorism”, or out of an “other act of terrorism” that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the “coverage territory”. However, with respect to an “other act of terrorism”, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds \$25,000,000 (valued in U.S. dollars). In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would have been covered by any insurance but for the application of any terrorism exclusions; or
2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

With respect to this exclusion, Paragraphs **1.** and **2.** above describe the thresholds used to measure the magnitude of an incident of an “other act of terrorism” and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

SECTION VI -COMMON CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Policy, but in no event shall such bankruptcy or insolvency obligate us to pay any part or all of any applicable Deductible or Self Insured Retention, or otherwise impose any obligation on us under this Policy before the Deductible or any Self Insured Retention is satisfied.

2. Cancellation And Nonrenewal

The following provisions regarding cancellation and nonrenewal apply except to the extent that they, or any of them, are inconsistent with state laws or regulations applicable to surplus lines insurers, in which event, they will be deemed amended to be in conformity with such laws or regulations. This Policy may be cancelled by the First Named Insured by surrender thereof to us or by mailing to us written notice stating when thereafter the cancellation shall be effective. We may cancel or

decide not to renew this Policy by mailing a written notice to the First Named Insured at the address shown in the Declarations of this Policy. The mailing of notice of cancellation shall be sufficient notice, and the effective date of cancellation stated in such notice shall be deemed to constitute the end of the "policy period". The effective dates of such cancellation shall be not less than thirty (30) days (ten (10) days for non-payment of premium) following mailing of the notice of cancellation to the First Named Insured.

Hand delivery of such written notice either by the First Named Insured or by us (or by either's designee) shall be equivalent to mailing. If this Policy is issued to comply with any law or regulation that requires notice of cancellation or nonrenewal to any governmental body, cancellation or nonrenewal shall not be effective until the required notice has been provided by you or us.

This Policy is subject to a ten percent (10%) short rate penalty if you cancel the Policy or if we cancel the Policy because of your non-payment of premium. We will treat your failure to timely reimburse us for any Deductible Amount to constitute non-payment of premium. Subject to such short-rate penalty, the applicable unearned premium shall be returned to the First Named Insured as soon as practicable following the effective date of the cancellation. Premium adjustment may be made either at the time cancellation is effective or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of the effective date of the cancellation. If we cancel this Policy for any reason other than for non-payment of premium, we will return to you the pro rata amount of the unearned premium.

3. Changes

This Policy contains all the agreements between you and us concerning the insurance afforded. The First Named Insured shown in the Declarations is the only insured authorized to request changes in the terms of this Policy. Any changes in the terms of this Policy must be made with our consent. This Policy's terms can be amended or waived only by an endorsement issued by us and made a part of this Policy.

4. Duties In The Event Of An Occurrence, Offense, Wrongful Act Or Pollution Condition

You and any other involved insured must see to it that we are notified, in writing, as soon as practicable of an "occurrence", offense, "wrongful act" or "pollution condition" which may result in a "claim" or "suit" against any insured. To the extent possible, such written notice to us should include:

- (1) How, when and where the "occurrence", offense, "wrongful act" or "pollution condition" took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence", offense, "wrongful act" or "pollution condition".

5. Duties In The Event Of A Claim Or Suit

The duties outlined in this Condition apply only to the following Coverage Parts: Commercial General Liability Occurrence, Commercial General Liability Claims Made, Contractors Pollution Liability Occurrence, Contractors Pollution Liability Claims

Made, Errors and Omissions Liability, and Third Party Pollution Liability, respectively:

- a. If a “claim” is received by, or “suit” is brought against, any insured, you and any other involved insured must:
 - (1) Immediately record the specifics of the “claim” or “suit” and the date received;
 - (2) Notify us, in writing, as soon as practicable of the receipt of the “claim” or the bringing of the “suit”;
 - (3) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the “claim” or “suit”;
 - (4) Authorize us to obtain records and other information;
 - (5) Cooperate with us in the investigation or settlement of the “claim” or defense against the “suit”; and
 - (6) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to any insured.
- b. No insured may, except at that insured’s own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

6. Duties In The Event Of A Potential Claim

If: (1) during the “policy period” you first become aware of an “occurrence”, offense, “wrongful act” or “pollution condition” that reasonably may result in a “claim” against you; and (2) such “occurrence”, offense, “wrongful act” or

“pollution condition” did not occur before the Retroactive Date, then you must provide written notice to us about that “occurrence”, offense, “wrongful act” or “pollution condition” during the “policy period”. If such notice is received by us during the “policy period”, and this Policy has not been renewed upon expiration of the “policy period”, then any “claim” made against you after the “policy period” resulting from that “occurrence”, offense, “wrongful act” or “pollution condition” shall be deemed, for the purposes of the Commercial General Liability Claims Made Coverage Part, the Contractors Pollution Liability Claims Made Coverage Part, the Errors and Omissions Liability Coverage Part and the Third Party Pollution Liability Coverage Part, to have been made on the date such written notice is received by us. This provision shall not apply to “occurrences”, offenses, “wrongful acts”, “pollution conditions” or potential “claims” of which you or any insured first became aware or reported during any Extended Reporting Period.

If you notify us of that “occurrence”, offense, “wrongful act” or “pollution condition”, then such notice must include:

- a. A description of the “occurrence”, offense, “wrongful act” or “pollution condition” that took place including the date and where it occurred;
- b. The names and addresses of any persons involved and any witnesses;
- c. The nature and location of any damage that has or may result from the “occurrence”, offense, “wrongful act” or “pollution condition”; and
- d. Why any insured believes that the “occurrence”, offense, “wrongful act” or “pollution condition” may result in a “claim”.

7. Headings

The description contained within the headings and subheadings of this Policy are provided solely for convenience. The headings form no part of the terms and conditions of coverage provided hereunder.

8. Inspections And Surveys

a. We have the right to:

- (1) Make inspections and surveys at any time;
- (2) Give you reports on the conditions we find; and
- (3) Recommend changes.

b. We are not obligated to make any inspections, surveys, reports or recommendations and any such actions we do undertake relate only to our assessment of insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. And we do not warrant that conditions:

- (1) Are safe or healthful; or
- (2) Comply with laws, regulations, codes or standards.

9. Legal Action Against Us

No person or organization has a right under this Policy:

- a. To join us as a party or otherwise bring us into a "suit" asking for "damages" from an insured; or
- b. To sue us on this Policy unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement, or on a final judgment against an insured; but we will not be liable for "damages" that are not payable under the terms of this Policy or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

10. Multiple Coverages Limitation

If one or more of the Contractors Pollution Liability Occurrence Coverage Part, the Contractors Pollution Liability Claims Made Coverage Part, the Errors and Omissions Liability Coverage Part, the Third Party Pollution Liability Coverage Part or the Onsite Cleanup Coverage Part of this Policy apply to an "occurrence", offense, "wrongful act" or "pollution condition" or related "occurrences", offenses, "wrongful acts" or "pollution conditions", then the Commercial General Liability Occurrence or Claims Made Coverage Part shall not apply to the same or related "occurrences", offenses, "wrongful acts" or "pollution conditions".

If more than one Coverage Part of this Policy, or any other policy issued to any insured by us or any of our affiliated companies, applies to the same "occurrence", offense, "wrongful act" or "pollution condition", or applies to related "occurrences", offenses, "wrongful acts" or "pollution conditions", then the maximum limit of insurance under all such Coverage Parts and policies shall not exceed the highest applicable limit of insurance available under any one applicable Coverage Part and the corresponding deductible for that Coverage Part.

This condition does not apply to any insurance policy or Coverage Part issued by us or an affiliated company

specifically to apply as excess insurance over this Coverage Part.

Subject to the terms, conditions and limits of individual Coverage Parts or policies, if we provide coverage to you under successive or overlapping Coverage Parts or policies that apply to more than one policy period, under no circumstances will we or any affiliated company be liable for coverage under more than one such Coverage Part or policy with respect to any continuous, progressive, repeated, intermittent or related "occurrence", offense, "wrongful act" or "pollution condition".

11. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under one or more of the Commercial General Liability Occurrence or Claims Made Coverage Parts, the Contractors Pollution Liability Occurrence or Claims Made Coverage Parts, the Errors and Omissions Liability Coverage Part, the Third Party Pollution Liability Coverage Part or the Onsite Cleanup Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in **c.** below.

b. Excess Insurance

(1) Where any Coverage Part or coverage form attached hereto provides coverage on a claims-made and reported basis, such coverage is excess over, and shall not contribute with, any

other insurance, whether primary, excess, contingent or on any other basis:

(a) That is effective prior to the beginning of the "policy period" shown in the Declarations of this insurance and applies to "bodily injury" or "property damage" on other than a claims-made basis, if:

(i) No Retroactive Date is shown in the Declarations of this insurance; or

(ii) The other insurance has a policy period which continues after the Retroactive Date shown in the Declarations of this insurance;

(b) That is Fire, Extended Coverage, Builders' Risk, Installation Risk or similar coverage for "your work";

(c) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(d) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(e) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion 1.

(2) Where any Coverage Part or coverage form attached hereto provides coverage on other than

a claims-made and reported basis, such coverage is excess over, and shall not contribute with, any of the other insurance, whether primary, excess, contingent or on any other basis:

- (a) That is Fire, Extended Coverage, Builders' Risk, Installation Risk or similar coverage for "your work";
 - (b) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
 - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion 1.
- (3) Any other primary insurance available to you covering liability for "damages" arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured by attachment of an endorsement.

When this insurance is excess, we will have no duty, under any Coverage Part, to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those

other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Policy.

c. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

12. Premium Audit

- a. We will compute all premiums for this Policy in accordance with our

rules and rates.

- b. Premium shown in this Policy as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the First Named Insured. The due date for audit premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the "policy period" is greater than the earned premium, we will return the excess to the First Named Insured.
- c. Audits will not reduce the minimum retained premium. The due date for audit premiums is the date shown as the due date on the bill.
- d. The First Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

13. Premiums

This policy is subject to a minimum retained premium. The First Named Insured shown in the Declarations:

- a. Is responsible for the payment of all premiums; and
- b. Will be the payee for any return premiums we pay.

14. Representations

By accepting this Policy, you agree that:

- a. All of the information and statements provided to us by you are true, accurate and complete. This Policy has been issued in reliance upon the truth and accuracy of those representations;

- b. No concealment, misrepresentation or fraud in the procurement of this Policy shall avoid or defeat recovery under this Policy unless such concealment, misrepresentation or fraud was material. Concealment, misrepresentation or fraud in the procurement of this Policy which, if known by us, would have led us to refuse to enter into this contract with its current terms, conditions or pricing, or to provide coverage for a "claim" hereunder, will be deemed material; and
- c. Material concealment, misrepresentation or fraud may result in the denial of all insurance benefits under this Policy.

15. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Policy to the First Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
