You should bear in mind how long it will take you to re-commence trading at another premises when stating the amount insured and indemnity period. This amount applies regardless of whether your business interruption loss is loss of income, extra expense, loss of research and development expenditure, project delay costs or accounts receivable. This often enables a smaller total amount insured to be specified and therefore often results in a cheaper premium. **ITEM AMOUNT INSURED** INDEMNITY PERIOD Business interruption cover ('Flexible First Loss'): SECTION 5: CLAIMS EXPERIENCE & INSURANCE HISTORY 5.1 Please provide details of your current Errors and Omissions insurance, if applicable, and what you require for the next year of insurance: Retroactive date Effective date Limit Deductible Premium Insurer Current: Required: 5.2 Please provide details of your current Commercial General Liability insurance, if applicable, and what you require for the next year of insurance: Effective Date Limit Deductible Premium Insurer Current: Required: 5.3 Regarding all of the types of insurance to which this application form relates, AFTER ENQUIRY: a) are you aware of any loss or damage, whether insured or not, that has occurred to any of the Companies to be insured (or to any existing or previous business of the partners or directors of any of the Companies to be insured) within the last 5 years, or b) are you aware of any circumstances which may give rise to a claim against any of the Companies to be insured or any partners or directors thereof, or c) have any claims or cease and desist orders been made against any of the Companies to be insured, or partners or directors thereof, or d) have any partners or directors of the Companies to be insured been found guilty of any criminal, dishonest or fraudulent activity or been investigated by any regulatory body?
